GOVERNMENT AFFAIRS

This committee is responsible for developing support within the southern Nevada construction industry for the political actions, initiatives and programs of the chapter and the National AGC, while proactively representing the chapter and the industry before state and local government bodies.

PERMITS & INSPECTIONS

This committee partners with city and county government agencies to develop standardized building codes and reasonable zoning, permitting and inspection regulations.

MARKETING

This committee promotes the association, its members and the construction industry through media relations, advertising and community involvement in such events as House of Cards Tournament. The committee also recruits new members and encourages business between members.

SAFETY & JOBSITE SECURITY

This committee is responsible for encouraging, fostering and developing a uniform safety program for the chapter and its member companies, in an effort to reduce accidental death, injury and financial loss.

LABOR RELATIONS

This committee, comprised of chapter labor agreement signatories, handles organized labor issues and negotiations for its participating AGC members.

MANPOWER, EDUCATION & TRAINING

This committee improves the image of the construction industry by assisting with the instruction and recruitment of the next generation's workforce. This committee is also responsible for improving the quantity and quality of the construction industry's available workforce, developing and administering related programs and services and maintaining a speaker's bureau.

YOUNG CONSTRUCTORS FORUM

This committee is put in place to address the needs of young professionals and the industry. The committee is responsible for improving relations, training and visibility for entry to mid level constructors.

PUBLIC WORKS

This committee is the construction industry's liaison with state and local agencies and utilities. By bringing together public works agency directors and AGC's heavy, highway and utility contractors, the committee works to resolve legal and regulatory issues affecting public works construction.
